TOWN MEETING WARRANT**STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Jaffrey, in the County of Cheshire qualified to vote in Town Affairs:

You are hereby notified to meet at the new High School Auditorium, on Stratton Road, in East Jaffrey Village, in said Town, on Tuesday, the thirteenth day of March next, at nine o'clock in the forenoon, (polls to remain open until six o'clock in the afternoon) to act on the following subjects:

1. To bring in your votes for the election of Delegates-at-Large, Alternate Delegates-at-Large, District Delegates and Alternate District Delegates to the National Conventions of the Democratic and Republican Parties, to be held for the purpose of nominating candidates for President and Vice President of the United States.

2. To choose two Delegates to a Convention to revise the Constitution of the State of New Hampshire to be held in Concord, New Hampshire on May 15th, 1956.

3. To choose a Town Clerk, one Selectman for three years, and all other necessary Town Officers.

4. To hear all reports except that of the Budget Committee and act thereon.

5. To hear the report of the Budget Committee, and to raise such sums of money as may be required for the support of the poor, building and repairing highways and bridges, fire department, police department, Memorial Day, street lights, and all other Town Charges.

6. To see if the Town will vote to instruct the Selectmen to borrow money in anticipation of taxes.

7. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$1,100 for the purpose of replacing the present police cruiser, or act in any way relating thereto.

8. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$75 for the purpose of furnishing water service to the so-called "Childrens Woods", the same to be used by the Brownies of Jaffrey and other children organizations of Jaffrey, or act in any way relating thereto. (By Petition).

9. To see if the Town will vote to raise and appropriate the sum of \$919.47 for Town Road Aid upon Class V Highways, on condition that the State will contribute the sum of \$6,129.82.

10. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$5,000 for the construction of sidewalks on various streets of the Town, or act in any way relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of \$2,900 for improvement of Trunk Line and State Aid roads within the compact area of the Town, providing the State will contribute the amount of \$2,700.

12. To see if the Town will vote to raise and appropriate the sum of \$2,200 to purchase a new truck to replace the present 1950 Chevrolet truck.

13. To see if the Town will vote to raise and appropriate the sum of \$200 to pay for studies to provide a reasonable zoning ordinance suitable to the needs of the Town of Jaffrey, or act in any way relating thereto. (By Petition).

14. To see if the Town will vote to raise and appropriate the sum of \$542 (1/100th of 1% of the valuation of the town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

15. To see if the Town will vote to increase the present pay of the members of the Jaffrey Fire Department to \$1.50 per hour. (By Petition).

16. To see if the Town will vote to take any further action regarding the relocation of the section of Squantum Road parallel to the Bathing Beach; instruct the Selectmen and Highway Agent further, and raise and appropriate any additional money needed to carry out the project.

17. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$425 for the purpose of increasing the lighting capacity from 6000 Lumen to 20,000 Lumen on five lights on Main Street between Peterborough Street and School Street, and two lights on River Street near the Fire Station, or act in any way relating thereto.

18. To see if the Town will vote to raise and appropriate the sum of \$350 for civil defense purposes, or act in any way relating thereto.

19. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$5,000 to be expended for the purpose of engineering services for proposed sewage disposal facilities, or act in any way relating thereto.

20. To see if the Town will vote to raise and appropriate a sum of money for contribution to the New Hampshire Marine Memorial Campaign for a monument to be erected as a memorial to the lost-at-sea heroes of the Army, Navy, Air Force and Coast Guard, or act in any way relating thereto.

21. To see if the Town will vote to raise and appropriate a sum of money for relocating the Town Dump, or act in any way relating thereto. (By Petition).

22. To see if the Town will vote to raise and appropriate the sum of \$47.00 for the installation of two street lights on Rindge Road between Squantum Road and the residence of John B. Hazleton. (By Petition).

23. To see if the Town will vote to raise and appropriate the sum of \$2,000 for improvement of the road leading from Howard Hill Road to the so-called Michigan Five Corners, or act in any way relating thereto.

24. Shall the provisions of Chapter 171-A of the Revised Laws relating to games of Beano, be accepted in this Town.

Given under our hands and seal this seventeenth day of February,
A. D. 1956.

A new flag pole has been erected at the Old Cemetery in the Centre. The three bronze plaques have been put in place and the surrounding areas have been graded and seeded. We feel the Memorial Day program to be well under way.

We wish, at this time, to call attention to the efforts and generosity of one man in this town, who practically unassisted, built and completed a stone retaining wall over 60 feet long for the purpose of grading and improving the Veteran's lot at Conant Cemetery. The time and labor for this were given freely as a gesture of friendship and respect for the veterans of Jaffrey, both living and deceased. Our heartfelt thanks to Bill Desrosiers.

The committee feels that another problem is rapidly shaping up with the changing of our sidewalks on Main Street. We are losing the places for our street flags with the changing of curbstones and the use of the blacktop.

We recommend the purchase and installation of flags set in brackets on the utility poles placed along Main Street. Both flags and brackets may be removed when not in use. At the present time we would need nine brackets and two flags to each bracket.

Approximate cost—Flag 2½ x 4 ft. on ¾ staff	\$6 85 ea.	\$123 30
Bracket for 2 flags	7 65 ea.	68 35
Total Cost		<u>\$192 15</u>

REPORT OF TOWN OFFICE BUILDING COMMITTEE

Soon after the regular Town Meeting held on March 9, 1954, the Committee for the construction of the new Town Office Building, proceeded to have the architects, Alfred T. Granger Associates of Hanover, N.H., draw up the specifications of the adopted plans for said structure.

After this was accomplished, the job was offered for bids and four bidders submitted their prices for cost of construction which figures were as follows: \$73,335, \$67,940, \$65,203, and the fourth and lowest bid was \$58,223, which was offered by T. H. and E. J. Bergeron of Keene, N.H.

This lowest bid was \$9,578.67 more than the amount of money available in the Town Office Building Fund.

On account of this, the Committee decided to petition the Court for a permit to call a special town meeting to raise more money, but the request was denied.

The next move was to rearrange the old plan and scale it down for a smaller building.

It was necessary for the architect to redraw the plans with new specifications and to a reduced size in order to conform to the amount of money available.

On account of this, it was necessary to have several conferences with the contractor who had offered the lowest bid in order that he might submit a new bid that would nearer compare to the amount of money in the Fund and due to the long delay, the foundation was not started till September, 1954, and the building completed until the summer of 1955.

The building has suitable accommodations for the Court Room, Police Department, Town Clerk, Tax Collector, Selectmen, a room for the Water Commissioners and garage for the VFW ambulance and the Police Cruiser.

Up to the present time \$56,526.76 has been expended on construction of the Town Office Building, with a financial report on the construction listed below.

This Committee has spent a great deal of time in an effort to plan suitable accommodations for our Town Officers and we sincerely hope that these efforts will prove highly profitable to the Town in the years to come.

DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION Concord, New Hampshire

May 2, 1955

Board of Selectmen
Jaffrey, New Hampshire

Gentlemen:

In accordance with your request, an examination and audit of the tax records of the Town of Jaffrey for the fiscal year ended December 31, 1954 and the period January 1 to March 28, 1955, has been made by this Division. The audit covered the accounts of Tax Collector Hubert F. O'Neil for the period January 1st to July 31st, 1954 and Tax Collector Katherine R. Christian for the period August 1st, 1954 to March 28th, 1955, on which date all tax accounts were turned over to Tax Collector Raymond J. Desmarais.

It is our understanding that no audit was made by the Town Auditors of the tax accounts of Collector O'Neil at the time the office of Tax Collector was assumed by Mrs. Katherine R. Christian and accounts transferred to her on August 1, 1954, and further that no actual recommitment of taxes from Mr. O'Neil to Mrs. Christian was ever made.

In the preparation of Exhibits A and B, we have taken the amount of Uncollected Taxes on December 31, 1953 and December 31, 1954, from figures published in the Town Report for 1954. The Uncollected Taxes as of March 28, 1955, Exhibit C, totaling \$20,668.28 are supported by lists as compiled from the various warrant books and represent the taxes actually recommitted to the new Collector Raymond J. Desmarais.

In Exhibit C, excess credits totaling \$392.84 for the warrants of 1953 and 1952 are indicated, while a deficiency of credits in the total amount of \$810.33 is indicated for all other levies. An examination of the tax warrant books for the levies of 1951, 1950, 1949, 1948 and 1947 disclosed no activity in these levies during the entire year 1954 and 1955 to date of audit. Hence it must be assumed that the total of Uncollected Taxes for these years on December 31, 1953 and December 31, 1954 were incorrectly stated in the Town Reports for 1953 and 1954.

The verification of entries in the warrant books was practically impossible because of the absence of dates in many instances and absence of the year of entry in almost every instance. Numerous abatements were also indicated for which no supporting documents were available.

In the preparation of Exhibit D, Summary of Tax Sale Account, an audited adjusted figure has been used for the balance of Unredeemed Taxes on December 31, 1954.

Yours very truly,

HAROLD G. FOWLER,
DIRECTOR

D. Report of District Clerk

At a legal meeting of the School District of Jaffrey at the Auditorium in said Town and on the 7th day of March, 1955, at 7:30 o'clock in the afternoon pursuant to the foregoing warrant:

Meeting was called to order by the Moderator, Jason C. Sawyer, and the warrant was read by him with the return of the same.

Articles 1, 2, 3 and 4 to be voted on by ballot.

Article 5: To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the District. It was moved and seconded that the salaries of the School Board and other District officers be as follows:

Each School Board Member	\$20 00
Treasurer	50 00
Clerk	5 00
Moderator	5 00
Each Auditor	15 00
Each Ballot Clerk	5 00

Motion seconded and unanimously carried.

Article 6: To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto. Mr. Ernest Pratt, Chairman of the Building Committee reported. Mr. Joseph B. Eldridge moved that the reports pertaining to the School District be accepted as printed in the Town Report. Seconded and carried.

Article 7: To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant. No action.

Article 8: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Equalization Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the Town. Mr. Ernest Pratt moved that the School District raise and appropriate \$214,733.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State aid, and upon the determination of the amount of State aid to be received by the School District to apply against such appropriation the sum to be received from State aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes. Discussion. Seconded and carried.

Article 9: To see if the District will vote to raise and appropriate \$1,500.00 for the purchase of new equipment. Mr. George C. Robinson moved that the District raise and appropriate \$1,500.00 for the purchase of new equipment. Seconded and carried.

As there was no contest on the ballot, same was read and Mr. Merton Robare moved to authorize Mr. Ernest Pratt, Chairman of the School Board, to cast one unanimous ballot for the meeting for:

JASON C. SAWYER	Moderator
MYRTLE J. HAZLETON	Clerk
LAWRENCE W. BROWN	Treasurer
MARY B. DAVIS	
GEORGE C. ROBINSON	

Members of the School Board for the ensuing three years

WILLIAM BEMIS
CHARLES A. BALDWIN
Auditors

Motion seconded, Mr. Pratt cast one unanimous ballot and polls were declared closed at 8:27 p.m. Those present took oath in open meeting. Voted to adjourn at 8:30 p.m.

A true copy.

Attest:

MYRTLE J. HAZLETON,
School District Clerk.

E. Warrant

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the High School Gymnasium in said district on the 12th day of March 1956 at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate \$5,500.00 for pointing, caulking and waterproofing the brick masonry walls of the original section of Conant High School, or take any other action relating thereto.

10. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1955-56 the sum of \$4,991.25 to be made available to the school district prior to July 1, 1956 in order to meet unanticipated obligations caused by increased costs of transportation, emergency repairs, increased Retirement System charges and decreased tuition receipts.

11. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1954-55 the sum of \$4,359.61 to be made available to the school district prior to July 1, 1956 in order to meet unanticipated obligations caused by an operating loss in the school lunch program.

Given under our hands at said Jaffrey this 14th day of February, 1956.

B. PROGRAM AND METHODS

CONANT HIGH

Conant High School re-opened on September 7, 1955 for the school year 1955-56. When school re-opened the entire plant was available to the students and faculty, a somewhat different situation than that which existed on the opening of school for the year 1954-55.

Six changes in our teaching personnel have taken place since last year.

Mr. Richard Waldo, grade six, replaced Mr. Howard Sargent who is now teaching Social Studies and English in the Junior High.

Miss Janet Tinker, girls' Physical Education teacher, resigned to be married, her position is being filled by Mrs. Catherine Russell. Mrs. Russell not only conducts Physical Education Classes at the High School but also spends one day each week conducting such classes at the Elementary School Building.

Mr. Morton Bradley joined the teaching staff this year. The addition of Mr. Bradley to the staff was greatly needed due to the increased enrollment in grades seven and eight.

Mr. Clyde Lavine became the Guidance Director at the High School in September 1955. Mr. Lavine has inaugurated a very ambitious testing program for grades six through twelve. The results of these tests have been and will continue to be of proven value in the guidance program, particularly to teachers, parents and students in determining as accurately as possible probabilities of success in various courses or positions that students may be considering. Mr. Lavine has also made extensive arrangements with numerous college admission officers and representatives from the many industrial fields to meet with interested students.

Mr. Robert Prince, Music Instructor, resigned to accept a position in Massachusetts. Mr. Lawrence Castle has filled that position. Mr. Castle is making considerable progress in his effort to organize a school band. At this writing many of the younger students are availing themselves of the opportunity of taking instrumental lessons under the tutelage of Mr. Edward Hamilton.

Miss Geneva Ross (English and French) resigned to accept a position in the South. Mr. Leo Halloran, a teacher with many years of experience at Boston English High School, has filled this position.

Miss Lorraine Lutz (Home Economics) resigned to be married and her position is being filled by Mrs. Regina Devlin, a former teacher at Conant High School.

Civics, U. S. History and four years of English are required of all students. The courses in economics and sociology have been dropped from the program of studies. These courses have been made an integral part of the World Affairs course, thus reducing the social studies offerings to one each year.

Co-Curricular Activities

Co-curricular activities include interscholastic competition in basketball for girls and boys, baseball and soccer for boys, glee club, band, dramatics, school paper, gun safety club, class activities and assembly programs.

● Soccer as a fall sport for boys was introduced this year for the first time with an informal schedule. Mr. Arthur Hampson, Physical Education teacher was coach and a schedule of seven games was played.

● Two programs of outstanding quality were presented during the year. The appearance of the Springfield College Gym team which was sponsored by the Teachers Association of Union No. 47 and the University of New Hampshire Band, sponsored by the High School Glee Club, which presented a public concert for the townspeople of Jaffrey and a concert for the children of grades one through seven at the High School Auditorium.

● Several programs of educational value have been scheduled for the year 1955-56 in the form of school assemblies. The High School Glee Club and Band presented a Christmas Concert at the high school during the month of December. The annual Junior and Senior plays will be presented during the spring of 1956 as well as the Amos Fortune Prize Speaking Contest.

● Field trips and experiences outside of the school environment are also a part of the co-curricular program. The sixth grade spent a week during November, 1955 at Sargent Camp where they learned about conservation, wild life, forestry, astronomy and group living, an experience which they will remember for years to come. Other field trips have been made to the Boston Museum of Science and Sturbridge Village.

● School lunch is definitely a part of the school program. It is most interesting to trace the development and growth of this program from the time that it was originated. For example, during the month of December, 1955 a total of 7,280 meals was served at the Grade and High School Buildings during a period of 14 days, an average of 520 meals served daily.

This has been a very significant year for American Education. Mr. Herrick, principal of Conant, summarizes it as follows:

He says, "This past year considerable attention has been focused upon education, the latest event of importance being the White House Conference. Should we not become more familiar with our schools, what they have done and what they are doing in order that we may work together in a cooperative effort to make them better."

All of this points to the mutual responsibility of citizen and educator of providing the best opportunities for boys and girls today in order to insure a better world for tomorrow.

GRADE SCHOOL

Jaffrey Grade School has a unique situation this year in that the faculty is identical with that of last year. This is a distinct advantage because we were able to get off to a fast start in September as everyone was familiar with the organization of the school and knew most of the children. This did away with the long period of adjustment which is generally the case.

The recently published basic readers "New Days and Deeds" and the "New More Days and Deeds" were introduced in Grade 5 this September. This new series, now in two volumes instead of the previous one, which has been in the process of publication for several years is now in use throughout the school. The new editions have added considerable material on phonetics. As mentioned in last year's report the new and outstanding World Book Arithmetic Series is used throughout the school also. This means that in the two basic subjects very excellent text books are in use by the children. The text books in the other subjects are also up-to-date and excellent in quality.

Physical Education for Grades 1-5 has long been the goal and finally, this year through the skillful scheduling of Mr. Herrick, the objective has been achieved. Mrs. Russell, Physical Education instructor for girls at Conant, comes to Jaffrey Grade School for eight periods a week.

Much has been done to keep the physical plant of the school in good condition. An outside paint job was completed, all windows put in excellent order, the parking area, driveway and a section of the playground was resurfaced. Also, the auditorium steps which had started to

deteriorate were refinished with a new material. By keeping all repairs up-to-date and with the efficient care of custodian James Baird, the building should be in good condition for a good many years.

In arithmetic tests administered by the University of New Hampshire of New Hampshire Testing service pupils of the sixth grade in the Jaffrey Grade School scored considerably higher than the state and national average in arithmetic reasoning and arithmetic fundamentals. This is a very significant fact and is indicative of the excellent job done in teaching arithmetic by the teachers of the grade school.

Mr. Craig reports, "The faculty of the school is most appreciative of the equipment and supplies provided them for use in their classrooms. The people of the town should feel proud of the opportunities for learning presented to the boys and girls of Jaffrey."

C. Report of State Audit
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

August 31, 1955

The School Board
 Jaffrey School District
 Jaffrey, New Hampshire
 Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Jaffrey School District for the fiscal year ended June 30, 1955, which was made by this Division in accordance with the request of your Board. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer and School Lunch Program.

FINANCIAL STATEMENTS**Comparative Balance Sheets: (Exhibit A)**

Comparative Balance Sheets as of June 30, 1954 and June 30, 1955, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$12,622.46, from \$328,983.94 to \$316,361.48, during the fiscal year ended June 30, 1955.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D).

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1955, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net revenue surplus of \$2,053.17, less a net overdraft of appropriations of \$1,883.60, resulted in a net budget surplus of \$169.57.

Summary of Receipts and Expenditures: (Exhibit E-1)

A summary of receipts and expenditures for the fiscal year ended June 30, 1955, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1955, is included in Exhibit E-2.

Statement of Bonded Debt: (Exhibit H)

A statement of the bonded indebtedness of the School District as of June 30, 1955, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS**School Lunch Program:**

offsetting assets of \$1,240.74, leaving an actual deficit in the School Lunch Program had accounts payable in the amount of \$3,856.16. There were offsetting assets of \$1,240.74, leaving an actual deficit in the School Lunch Program account of \$2,615.42 at the close of the year as shown herewith:
 Accounts Payable—June 30, 1955 \$3,856 16

Less:

Balance—June 30, 1955	\$367 24	
Balance of Appropriation Due from Town	600 00	
Due from State a/c Federal School Lunch	273 50	
		1,240 74

Actual Deficit—June 30, 1955		\$2,615 42
------------------------------	--	------------

It is apparent from the above statement that expenditures are exceeding income. Therefore, in order to keep this program on a sound financial basis one or the other of the following procedures should be adopted:

- (1) Operational costs should be reduced.
- (2) Income increased either through increase in charges for lunch sales or increase in appropriation by District.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or a summary of its essential features shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Jaffrey School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director.

PART V. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The aims of the School Health Service are to keep the children well, to help promote normal growth and to correct any condition which might prevent their best work in school.

Dr. Franklin Sterling has been appointed School Physician by the School Board.

Dr. Sterling will continue the policy of examining the odd numbered grades every year so that every child will receive an examination every other year. He also examines other pupils as the need arises, including all sports participants.

The school physician's examination consists of a check up of the chest including heart and lungs. He checks nose, ears, and eyes and gives special attention to the condition of throat and teeth. He notes general appearance of nutrition and skin, as well as posture. Each boy is checked for possible hernia or genital abnormalities.

The school doctor does not treat or prescribe. If any condition is found to need attention, parents are notified to take their child to their own doctor or dentist for treatment.

The doctor is available for advice in case of an epidemic or other emergency.

The services of a full time school nurse are provided by the school board.

Some of the duties of the school nurse are:

To see that each child has a disease census card and health record card.

To carry out inspection of all children, with the school doctor in the odd numbered grades, followed by notices to parents and by home visits.

To conduct vision and hearing tests and carry out necessary follow up.

To stimulate clinics and assist at all clinics; Dental, T. B., Eye, Immunization etc.

To assist in the control of communicable disease through teaching the recognition of early symptoms, the importance of isolation and the value of immunization.

To inspect pupils and take heights and weights and record on the Health Record Card.

To make out monthly reports and records.

To show the value of adequate health supervision and facilities for medical aid and to assist in securing the correction of defects.

To develop relationships and to coordinate school health activities with resources of school, home and community.

To help conduct Spring round-up and enrollment of entering pupils, with a complete health history entered on the Health Record Card, as well as a screening of vision, hearing and general health.

To act as a visiting teacher, the link between home and school.

Communicable Disease Control

We still have problems with communicable disease, including colds.

Children who show indications of communicable disease should remain at home until fully recovered or until the family doctor has been consulted. Sending a half-sick child to school for the nurse to inspect is

dangerous for the child and exposes other children to the infection before the ill child can be returned to the parent.

The child should not be sent to school with one or more of the symptoms of a communicable disease:

Sneezing and coughing; a newly wet running nose; red watery eyes; sore or inflamed throat; headache; vomiting; or general malaise. Fever or rash should be looked upon as signs of communicable disease.

Children who come in on a bus should have careful inspection before leaving home. Parents should keep these children home if they show any symptoms of illness. The close contact involved in the transportation of such children if ill, and the difficulties in returning such children home calls for the closest cooperation between home and school.

Dental Clinic

A Dental Clinic, sponsored by the Jaffrey Woman's Club, with a limited budget was conducted. It enabled forty-two pupils, who could not have received complete dental work any other way, to be done. This involved 120 visits to the dentist with 29 cleanings, 181 fillings, 17 extractions and 8 treatments. Dr. Raymond Moore was the dentist. Many were left on the waiting list when the money was spent.

Salk Polio Vaccine Immunization

The report on the Salk vaccine immunization filed with the State Department of Health showed:

Total pupils Grades 1-2	158 (surveyed originally)
First shot given to	109
Absent for illness	13
Refused immunization	6
Withdrew permission	24
Already had had polio	1
Moved away before shots	5

The second in the series of Salk vaccine shots was given, to those who had had the first shot, in October of this year.

Glasses

Those pupils needing glasses who are unable to afford them were helped with the fund provided for the purpose by the Jaffrey Community League. A number of such pupils were fitted with a noticeable improvement in school work.

B. Helping Teacher's Report
Your Helping Teacher Reports
For the Year 1955

SUPERVISORY UNION NO. 47

Peterborough — Jaffrey — Dublin — Hancock — Rindge — Sharon

The Helping Teacher's role of counsellor, specialist and consultant to the professional staff, school boards and parents and to the community at large has one major objective and that is the improvement of the educational growth and development of the children in our schools. In trying to analyze what growth and development has occurred during a year one must look back to see what has been done in order to measure its relationship to the outcomes. Often the outcomes are not easy to see at a given time but are occurring all of the time and not all at one time.

What are some of the things your helping teacher has been doing this year with the preceding objectives in mind?

1. Over three hundred visits have been made to classrooms in the supervisory union for the purposes of supervision, observation and help.

2. Innumerable conferences have been held with principals, supervisors and nurses.

3. There have been some 30 cases of children requiring special help because of retardation or reading difficulties.

4. Many conferences have been held with groups of teachers for the purposes of studying and improving the curriculum notably in the areas of English, Social Studies, Language, Arts and Arithmetic.

5. A seminar on reading was arranged for elementary teachers, parents and school board members at which Anna Gillingham of New York and Dr Helen Murphy of Boston presided. At this seminar teachers had an opportunity to discuss freely current problems in reading instruction.

6. Interviews of six children under the required entrance age were arranged and conducted in September.

7. Over fifty conferences were held with parents regarding problems or special help for their children.

8. Talks were delivered to different P.T.A.'s by your Helping Teacher.

9. Last years new teacher's handbook was revised and brought up to date.

10. A monthly bulletin was published for all teachers and principals during the year. It included suggestions for the improvement of instruction and contained inspirational items as well as lists of new texts and materials available to all teachers.

11. Worked with special committees of the Supervisory Union Board in providing statistical and other information concerning retardation and remedial reading.

12. Interviewed and corresponded with over thirty-five candidates for the twenty vacancies in the various schools of the supervisory union this year.

13. Worked with teachers who had special problems in the classroom.

14. Worked with teachers in helping to determine those children who have reading difficulties and worked out ways of helping these children.

15. Administered tests to children having reading difficulties.

16. Arranged for special help for children who needed it outside the classroom.

17. Participated in local and state teachers meetings as a speaker and consultant.

18. Attended school board meetings.

19. Reviewed new textbook material and made recommendations for changes where it was felt an improvement could be made.

20. Attended summer school for professional improvement, taking courses in elementary and high school supervision.

What are some of the things which have been happening

1. As a result of teacher conferences a unified Social studies program was worked out for grades 1-12 in our schools.

2. Individual techniques of teaching reading in order to help all children have been introduced and are being actively used in some of our schools.

3. An outline for the English program was worked out for grades 7-12 in one of the high schools.

4. Two teachers study and survey groups were organized and will be working during the current school year: one in the area of language arts (reading, spelling, writing) and arithmetic, the other in the area of reporting to parents.

5. A pilot program in the teaching of geometry was introduced into our high schools.

6. An experimental program to improve the teaching of spelling was introduced into one of the elementary schools.

7. In arithmetic tests administered by the University of New Hampshire pupils in our upper elementary grades scored higher than the state and national averages.

What are some of the things observed

1. In spite of the many criticisms which have been leveled at public schools throughout the country this year on the score of reading instruction and curriculum our schools have continued to grow and to look for ways of improving. Not only have we been working in the areas of reading and curriculum but we are at present continuing our study of all areas of the curriculum.

2. Our school facilities have greatly improved and this is a great aid to instruction. This makes for a great difference in teacher and pupil morale.

3. The two committees appointed by the Supervisory Union Board to study the needs of Remedial Reading Instruction and help for retarded children as recommended by the Helping Teacher did a splendid job and it is hoped that the people of the various communities will back the school boards when they ask for money in their individual budgets to take care of these two great needs in our schools.

This has been a very rewarding year for the Helping Teacher. The wonderful cooperation of the Superintendent, Principals, Teachers, Schoolboard Members, Parents and citizens of the various communities have made it possible to do the job of "helping" with dispatch and meaning.

Respectfully submitted,

ROBERT FILBIN,
Helping Teacher
